Why Sign Up?

A nurse will visit you in your
home, virtually over the
computer, or by phone

We value and respect you and
your family and want you to
receive the best care possible
after you give birth

We connect you to services
in your own community that
you can rely on

Core Services

Parenting & Infant Education

Breastfeeding Support

Connects to Community
Resources

Maternal & Newborn Health
Assessments

About Us

The Family Connects program provides in home
or virtual nursing and community services to
everyone who gives birth at Capital Health
Medical Center - Hopewell and lives in Mercer
County.

This program is considered "evidence based"
which means it has great outcomes. We are
excited to be the first program in this area to
offer these services at no cost to you.
