

ARE YOU LOOKING FOR A SPEAKER TO ATTEND YOUR NEXT MEETING, PROFESSIONAL DAY OR GROUP?

The Central Jersey Family Health Consortium provides FREE presentations for professional staff as well as consumers.

All of our presentations are customizable to fit your unique needs. Topics Include:

1. Booze, Brains & Babies: A Closer Look at Fetal Alcohol Spectrum Disorders
2. Connecting Through Compassion
3. Healthy Families/Children of Substance Abuse
4. The Keys to Loving Relationships: Locking Out Causes of Domestic Violence
5. The Opioid Epidemic- Heroin and Prescription Drugs in 2018
6. Understanding the Impact Substances have on the Body, Brain and Heart
7. Getting Smart: The Little Known Dangers of 2nd & 3rd Hand Smoke
8. Knowledge is Power: Getting the Facts about Tobacco, Vaping and E-cigarettes
9. Substance Use Facilitated Sexual Assault
10. The Impact of Marijuana on Pregnancy & Breastfeeding
11. Addressing Unconscious Bias & Judgement

*We also offer a free, 4-6 week Smoking Cessation Program with flexible scheduling.
